**Come and bake with us.**

Our baking center provides the perfect setting for tests, technical seminars, trainings and innovative meetings.

We cordially invite you to come and bake with us.

Here, you can even comprehensively test out every single process stage on WP machines with your own original raw materials and individual recipes.

Our training rooms and baking studio are designed for up to 20 participants. It's not all theory; you can also test out the machines here.

Request a desired date now via your competent expert consultant or directly via: **+49 (0) 9851-905-0** or **info@wp-l.de**

We bake together, entirely according to your wishes. If you have any questions, I or one of my colleagues will be happy to advise you.
